Ms Jeannie Mok
Director
Multicultural Community Centre
977 Ann Street
FORTITUDE VALLEY QLD 4006

Dear Jeannie

Thank you for the beautiful flowers presented to me at the graduation ceremony on Tuesday 11 August.

It was a pleasure to attend and see first hand the results of the Multicultural Community Centre's good work.

As I mentioned in my speech, diversity is one of our State's greatest strengths, but jobseekers from non-English speaking backgrounds are some of our most disadvantaged.

Your organisation plays an important role in breaking down this disadvantage and for this all involved with Multicultural Community Centre are to be congratulated.

I am pleased my Government is able to support the Multicultural Community Centre's work and am certain of many more success stories into the future.

Yours sincerely
